Elevation Profile

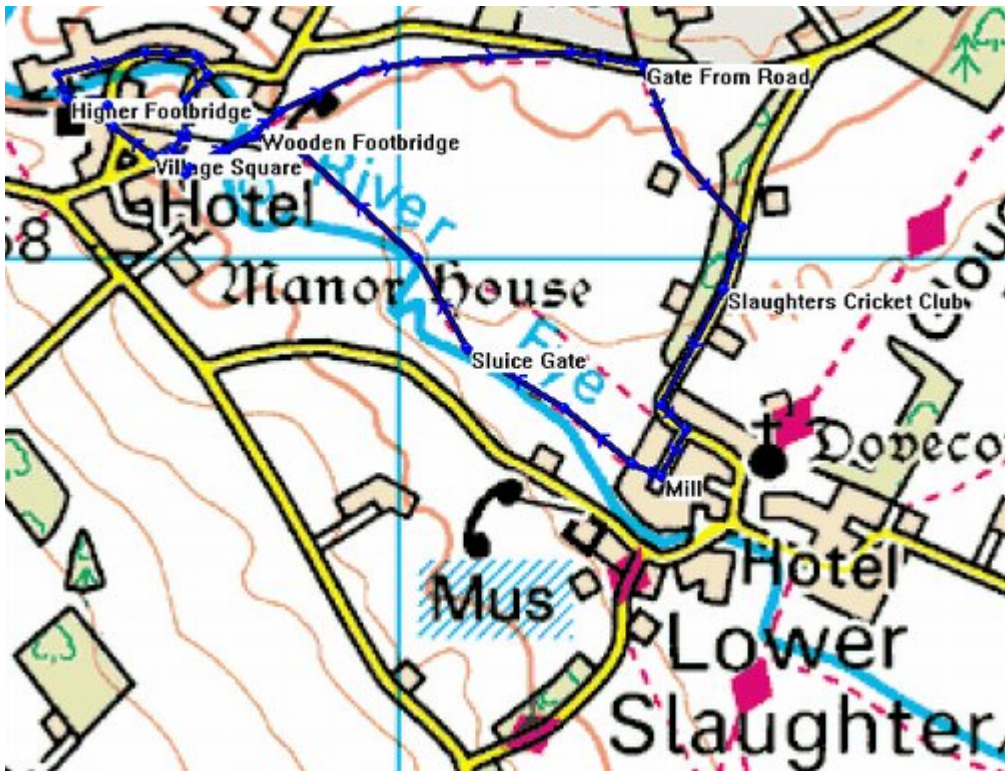

Waypoints

Leg	Name / Position / Elevation	Bearing	Distance	Ascent	Time	Comments	Photo
0	Village Square SP 15602 23160 493 ft					Head out of the square leaving the church to your left. Don't go straight down to the river, but bear left along the track until you see the footpath on your right to take you down towards the footbridge.	
1	Higher Footbridge SP 15467 23250 494 ft	303°T	581 ft	4 ft	0:02	Cross the river and turn right to walk along the river. At the ford, climb the stile and continue down the river bank, crossing the other stile to come out by the road. Turn right up the road and continue until you reach the footpath that leaves the road on the left. Turn left down the path and cross the river again using the wooden footbridge.	
2	Wooden Footbridge SP 15772 23200 482 ft	099°T	0.378 Mi	8 ft	0:06	When you come into the field after crossing the river, take the path almost directly in front of you up the steep slope (which isn't very long). The path can sometimes be indistinct but it becomes obvious again at the top of the hill. Follow the path through the fields from gate to gate until you reach the road.	

						Turn right and walk up the hill until you reach the gate to a footpath on your right.	
3	Gate From Road SP 16387 23305 504 ft	080°T	0.401 Mi	31 ft	0:07	Turn right through the gate and follow the path through the fields with the fence to your right all the way to the wooded belt, through that to the road. Turn right and continue along the road.	
4	Slaughters Cricket Club SP 16517 22945 464 ft	160°T	0.258 Mi	0 ft	0:04	Continue along the road, passing the entrance to the Slaughters Cricket Club on your right. Follow the road around the corner and then take the first turning on the right and walk on down towards the mill. Just before you reach the mill, the footpath back to Upper Slaughter can be seen on the right, Either take the path or continue down to the mill and have a cup of tea and explore the village, then take the path beside the mill.	
5	Mill SP 16417 22645 453 ft	198°T	0.219 Mi	0 ft	0:03	Follow the path behind the mill and continue up alongside the mill stream on your left. As you reach the end of the mill stream, take a very short detour by turning left and walking onto the wooden bridge by the sluice gate, where you can see where the water is diverted from the river to the mill stream.	
6	Sluice Gate SP 16107 22850 457 ft	303°T	0.232 Mi	4 ft	0:04	Retrace your steps to the footpath and turn left and walk on to the gate, bearing slightly right as you pass up through the field to the belt of trees at the top of the hill. Go through the gate and follow the path down the hill - seeing the Lord of the Manor Hotel away to your left - until you reach the wooden bridge you crossed earlier in the walk. Retrace your steps back to the road, then turn left and follow the road back to the square	
7	Village Square SP 15602 23160 493 ft	301°T	0.427 Mi	36 ft	0:08	Head out of the square leaving the church to your left. Don't go straight down to the river, but bear left along the track until you see the footpath on your right to take you down towards the footbridge.
